COURSE DESCRIPTIONS

PRINCIPLES OF ARTS, AUDIO/VIDEO TECHNOLOGY & COMMUNICATIONS
 (only students who did not take AV at CENTRAL)

Prerequisite None **1 Credit** **Grades 9 - 10**

Careers in the Arts, Audio/Video Technology, and Communications career cluster require, in addition to creative aptitude, a strong background in computer and technology applications, a strong academic foundation, and a proficiency in oral and written communication. Within this context, students will be expected to develop an understanding of the various and multifaceted career opportunities in this cluster and the knowledge, skills, and educational requirements for those opportunities.

AUDIO/VIDEO PRODUCTION 1 **1 Credit** **Grades 9 - 11**

Prerequisite Principles of Arts, Audio/Video Technology & Communications OR completed Central MS's Audio/Video and Communications Program

Careers in audio and video technology and film production span all aspects of the audio/video communications industry. Within this context, in addition to developing technical knowledge and skills needed for success in the Arts, Audio/Video Technology, and Communications career cluster, students will be expected to develop an understanding of the industry with a focus on pre-production, production, and post-production audio and video activities. Students will have the opportunity to earn certifications in Final Cut Pro, Adobe Photoshop and Adobe Dream Weaver.

AUDIO/VIDEO PRODUCTION 2 WITH LAB **2 Credits** **Grades 10 -12**

Prerequisite Audio/Video Production

Students will participate in the Ball High School News Cast and will be involved in all aspects of producing a news cast. Skills involve scriptwriting, anchoring, camera placement and shooting, film editing, sound editing, lighting and uploading the newscast to a server. Students will have the opportunity to earn certifications in Adobe Photoshop, Adobe Dream Weaver, and Adobe Final Cut X-Pro.

PRACTICUM AND EXTENDED PRACTICUM IN AUDIO/VIDEO PRODUCTION **2-3 Credits** **Grades 11 - 12**

Prerequisite Audio/Video Production 2 with Lab

Students will participate in the Ball High School News Cast and will be involved in all aspects of producing a news cast. Skills involve scriptwriting, anchoring, camera placement and shooting, film editing, sound editing, lighting and uploading the newscast to a server.
